

JEFFERSON COUNTY, ALABAMA  
JEFFERSON COUNTY PUBLIC BUILDING AUTHORITY  
LEASE REVENUE WARRANTS, SERIES 2006

CUSIP Numbers on Attached Schedule A

**MATERIAL EVENT NOTICE**  
**June 9, 2008**

The following information is provided by Jefferson County, Alabama (the "County") pursuant to a Continuing Disclosure Agreement executed and delivered by the County in connection with the Jefferson County Public Building Authority (the "Authority") Lease Revenue Warrants, Series 2006 (the "Warrants"), in compliance with Securities and Exchange Commission Rule 15c2-12. The Warrants are payable solely from the rent paid to the Authority by the County pursuant to a year-to-year lease of certain courthouse and jail facilities that were constructed or improved with the proceeds of the Warrants.

**Rating Downgrade**

The Warrants are insured by Ambac Assurance Corporation ("Ambac") and were assigned ratings by Standard & Poor's Ratings Services ("S&P"), Moody's Investors Service, Inc. ("Moody's") and Fitch Ratings Ltd. ("Fitch"). On June 5, 2008, the long-term insured rating assigned to the Warrants by S&P was reduced from "AAA" to "AA" in conjunction with the corresponding reduction in such rating agency's financial strength and financial enhancement rating of Ambac. The current long-term insured rating assigned to the Warrants by S&P is listed as "Credit Watch Negative". In addition, the current "Aaa" long-term insured rating assigned to the Warrants by Moody's is listed as "Review for Possible Downgrade" and the current "AA" long-term insured rating assigned to the Warrants by Fitch is listed as "Ratings Watch Negative".

A rating reflects only the view of the agency assigning such rating and is not a recommendation to buy, sell or hold the Warrants. Such rating may be changed at any time, and no assurance can be given that it will not be subject to further revision or withdrawn entirely by the rating agency if, in its judgment, the circumstances so warrant. Any further reduction or withdrawal of the ratings on the Warrants may have an adverse effect on the market price of the Warrants.

## SCHEDULE A
